

## **Re: Invitation to Support Kalamalka Rotary's 40th Annual Dream Auction**

As we prepare to celebrate a significant milestone in charitable fundraising, I am thrilled to invite you and/or your organization to contribute to our 40th Kalamalka Rotary Dream Auction – which will be held on November 16, 2024. As the Chair of this year's Dream Auction, I am excited about the extraordinary celebration of philanthropy, community, and impact we have planned. This will truly be an evening to remember.

Donations of products, services, experiences, or cash are gratefully accepted through October 21st. While we cannot issue tax receipts as a not-for-profit society, your generous donations will be prominently recognized on the auction materials. Your donation really will make a significant difference to many worthwhile causes.

This gala will highlight the transformative power of collective efforts and the significant differences they make both locally and internationally. Since its inception, 100% of the funds raised have supported sustainable projects locally and abroad. Past beneficiaries include local organizations such as Mackie Lake House and the Schubert Centre, and international projects like schools in Ethiopia and eco-stoves in Guatemala.

The 40th Kalamalka Rotary Dream Auction will unite community members, businesses, and philanthropists for an evening of giving, featuring live and silent auction items, captivating experiences, and inspiring stories from those whose lives have been transformed by your generosity.

Thank you for considering our invitation to contribute. Together, we can continue to make dreams a reality and create a brighter future for all.

Yours sincerely,

Faith Wood  
Chair, 40th Kalamalka Rotary Dream Auction
